【Attention】
You can not control your camera and microphone this time.
You can ask questions either by “Chat” or “Raise Hand”.

Click “Chat”, then the chat field will appear on the right side of the screen.

Choose where to send then send your comments.

Click “Raise Hand”, then wait until you are chosen by the chair.

Once you are chosen by the chair, this message will be shown.

Click to turn on your microphone, then start speaking.

When you’re done asking questions, click .
