

WPI Nano Life Science Institute (WPI-NanoLSI), Kanazawa University

13th Bio-SPM Summer School Application Form

Last Name:		First Name:	
Gender:	<input type="checkbox"/> Male <input type="checkbox"/> Female	Nationality:	Position/grade:
Affiliation	(University/Institute) (Department, Section, Lab Name) (Website, if available)		
Postal Mail Address of your lab			
E-mail Address			
Preferred Technique	<input type="checkbox"/> Atomic resolution/3D-AFM <input type="checkbox"/> High-speed AFM <input type="checkbox"/> Scanning ion conductance microscopy <input type="checkbox"/> AFM for cell measurement		
Membership (If Any)	<input type="checkbox"/> Cross Scale Biology <input type="checkbox"/> NanoLSI Associate		

Title of your proposal:

(Please delete this box after reading)

Describe the samples/phenomena that you would like to observe by our Bio-SPM techniques and the necessity or significance of the observation. (Figures and tables can be added as needed.)

* Describe the purity of the samples you can prepare.

* The following samples will not be accepted.

- Genetically modified organisms at P2 level or higher, pathogenic microorganisms and viruses at BSL level 2 or higher, and other regulated items.

- Samples that are prohibited from being brought into Japan if you are applying from overseas.
